New stop signs in the neighborhood
As most have probably seen there have been new stop signs put into the neighborhood. These stop signs contain something new, though, the stop signs have both English and French on them, unlike others in the area and surrounding areas.

The area we all live has a strong French background. Using this information we have done surveys and research and have decided to put in new stops signs that contain the French translation in order to connect back to our heritage.

Find a safe place close to home for your loved ones.

At Chartwell Fountains of Mission, the safety of our residents and staff is our highest priority. While we have always maintained strong infection protocols, we have enhanced our safety measures, continue to follow all government directives for heightened infection control, and foster safe social experiences within our residence for everyone's safety and peace of mind.

As you stride up the manicured pathway to At Chartwell Fountains of Mission Retirement Residence under canopies of mature trees—aware of how a blend of traditional buildings and modern homes endow the street with distinct curb appeal—you'll be hard pressed to believe such an intimate, tucked-away location could be within five minutes of thriving downtown Calgary.

An established neighbourhood with metropolitan amenities

Our residents cherish the neighbourhood we call home—many of them having lived in the Mission District their whole lives—especially as we're within a short distance from many local amenities, including boutique shopping, fine-dining restaurants and popular cafés on the red mile, Historic 4th Street. Boasting walking paths along the winding Elbow River, leafy parks, the Scotiabank Saddledome—home to the Calgary Stampede—and numerous local eateries, grocery stores and pharmacies, it's no wonder our location has one of the best walking scores in the city.

Conversation, culture and cuisine

Many of our residents find that once they move into At Chartwell Fountains of Mission, their social network quickly expands. The lifestyle at our retirement community is designed to promote conversation and connection: walk through our doors and you'll see people chatting together in the bistro over a cup of coffee, painting together in the art room, listening to someone play the piano in our fireplace lounge, or exchanging thoughts during a guest speaker presentation or meeting of the Men's Club. Our lovely dining room is also a place of lively conversation and laughter, inspired by the delicious dining experience delivered by Chef Lee, our award-winning Chef de Cuisine who prepares meals emphasizing fresh, locally-sourced fare, seasonal flavours and beautiful plate presentation.

Traditional touches and beautiful accommodations

Chartwell Fountains of Mission has a cozy village feel, thanks to unique amenities like a resident-run "General Store," an abundance of open-concept common space, as well as traditional touches like stone fireplaces and water features. Meanwhile, our suites—including our beautiful studio-plus-dens—are considered some of the most spacious in the city, featuring unique layouts, Juliet balconies and an abundance of natural light.

Our residents are interesting and engaging individuals who are proud to call us home. If you want to live in an urban setting and benefit from a

complement of convenient independent supportive living services—not to mention a varied social life—you may soon be calling At Chartwell Fountains of Mission home, too.

2 ST. S.W. Complete Street Project

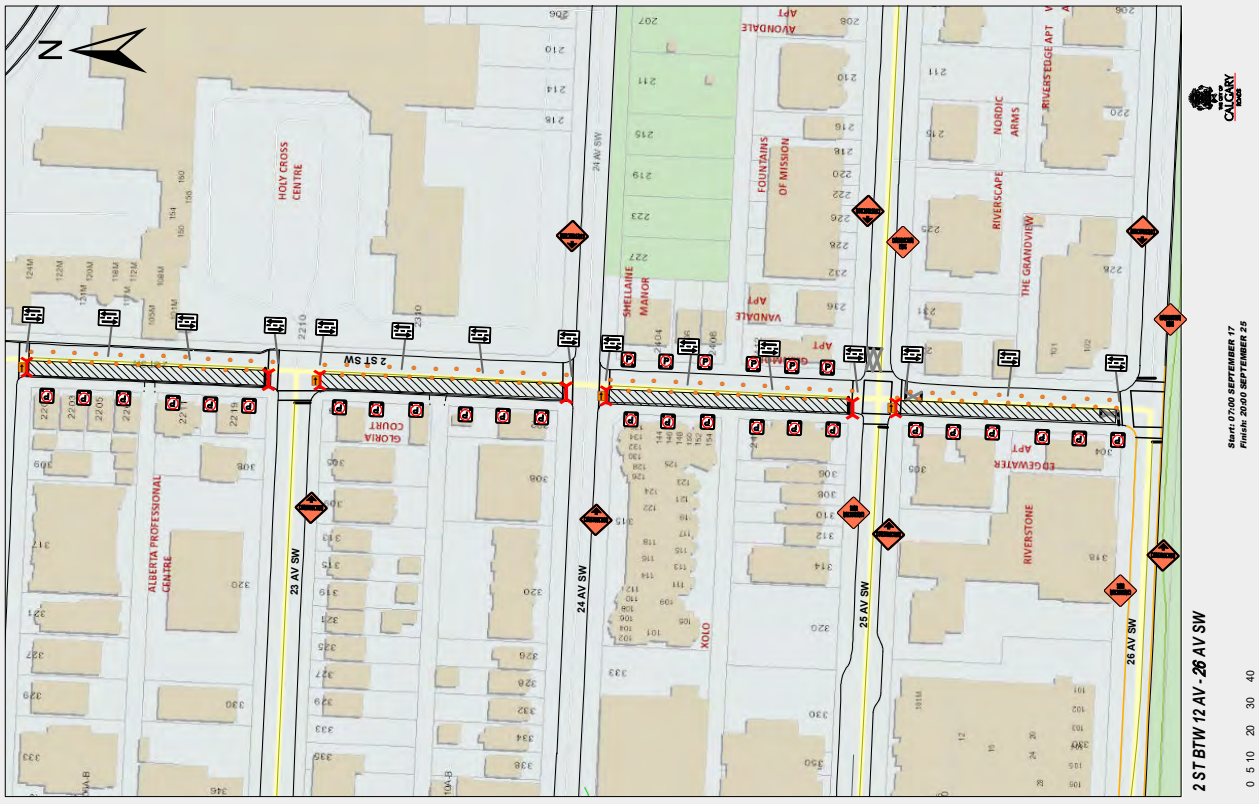

Project overview

The City is upgrading the existing bikeway along 2 Street S.W., from 10 Avenue to 26 Avenue. This section of roadway is well used and scheduled to be resurfaced. As part of the resurfacing work, we are planning to upgrade the existing shared driving and cycling lane and install curb extensions to make it safer for people to cross the road.

These changes will improve the walking and cycling experience, provide better access and connections to key destinations in this area, and connect to the existing cycle track and pathway system.

Construction complete

Crews have finished remaining construction activities on 2 St. S.W. and the project is now complete as scheduled.

"2 St. S.W. Complete Street Project." The City of Calgary - Home Page. Accessed March 8, 2021. https://www.calgary.ca/transportation/tp/cycling/cycling-route-improvements/2nd-st-sw-complete-street-project.html.

All traffic & bike lanes and pedestrian facilities along 2 Street S.W. are fully open, and parking stalls that were temporarily closed to accommodate construction are once again available for public use.

We heard that:

- Many participants live, work or go to school either on or near 2 Street S.W.
- Over half of participants do not support the concept of one-way traffic on 2 Street S.W. for a variety of reasons
- Generally, participants support some form of cycling infrastructure
- Participants have concerns about changes to 2 Street S.W. impacting existing congestion on 4 Street S.W.

Improvements as part of this project include:

Upgraded facilities for cyclists

- Protected and delineated bike lanes on the east and west sides of 2 Street S.W., from 12 to 26 Avenue S.W.

Safety & accessibility enhancements

- Rectangular Rapid Flashing Beacons (RRFD) at the 15, 18 and 21 Avenue crossings on 2 Street S.W.
- Traffic islands including new concrete curbs, sidewalks and accessibility ramps on 2 Street S.W. at 14, 18, 19, 20, 21, 22 and 24 Avenues S.W. to slow traffic, improve sight lines and improve the safety of people crossing the road.
- Rehabilitation of deteriorated concrete curbs, sidewalks and accessibility ramps throughout the project area.
- New traffic signal at the 13 Avenue S.W. intersection

We thank you for your patience throughout construction.

Yoga and Beyond Mission

Summarizing, for about two and a half decades, through many overlapping journeys, all of YOU who have come to us, are a beautiful gift. The Yoga and Beyond community has grown beyond any dreams that accompanied me with that one suitcase and my hopes when I stepped off the plane in Vancouver those many years ago. I will never be able to fully describe how much all of you mean to me. But again, it is with love and immeasurable gratitude that I tell you that you are part of my journey.
